➤ **Welcome to our interactive map, an exciting initiative proudly developed by the Peer Action Collective (PAC) team at Bradford City FC Community Foundation.**

This innovative tool has been created by the young people of Bradford, for the young people of Bradford, inspired by the voices and experiences of our community. Through extensive research and conversations with young people across the city, we uncovered a crucial insight: many are unaware of the amazing positive activities, services, and opportunities available to them.

That's why we set out to create something truly impactful—a resource designed to empower young people and their families. This map is more than a guide; it's a bridge to opportunities, a platform for exploration, and a connection to the vibrant resources and services within Bradford.

Our mission is simple: to ensure every young person feels supported, inspired, and equipped to thrive in their community. Explore, engage, and discover what's waiting for you!

Overview
 Cliffe Castle was originally built in the 1880s as the home of Victorian millionaire and textile manufacturer, Henry Isaac Butterfield and was a showpiece of international art and French decoration. It was the scene of many glittering parties and society events.
 In recent years Cliffe Castle has had a glow-up, inside and out, with Victorian features in the park reinstated, and the breathtaking stained glass Butterfield Window on the Grand Staircase restored. The Castle also hosts changing exhibitions from our collections and the community, as well as a fantastic café.

Overview
 Keighley R.U.F.C. (or the Keighlians Old Boys R.U.F.C. as it was originally named) was formed by a group of old boys of Keighley Grammar School in 1920. It's name was first changed to Keighlians R.U.F.C. and later, in the mid 1960s to Keighley R.U.F.C.

They field three senior sides on Saturdays and an under 19's side on Sundays. In addition they were one of the pioneers of mini rugby in Yorkshire in 1967 and now have a thriving and much admired junior section for all age groups from under 7 years to 17 years.
